## Game Setup:

Find a nice flat surface indoors or outdoors and set up BattlePutt™ by unfolding and setting down evenly. Pull from each end to help smooth out any creases. At the beginning of each game all 12 Cup Caps should be removed to expose each cup. To easily remove the Cup Caps simply lift the ramp and poke through from underneath with your putter.

## Objective:

The first team to sink putts into all 6 of the opposing team's cups wins!

## Gameplay:

- Games can be played by two teams made up of 1 or 2 players. Teams will share 1 ball and 1 putter, and play from opposite sides.
- Decide which side will go first (putt off, flip a coin, rock paper scissors, etc.).
- Players from each team will then alternate putting both balls from their team's ramp towards any of the 6 cups of the opposing team. Balls must be putt from the top of the ramp.
- When a player sinks a putt, the opposing team must plug the hole using one of the included Cup Caps.
- Play continues until one team makes all 6 cups.

## Optional Game Rules:

Players can also choose to incorporate any number of pong-inspired BattlePutt™ rules such as:

- If teammates sink consecutive putts on the same turn, golf balls are returned and they get another turn.
- If a single player successfully makes a putt in 3 consecutive turns, then they are "on fire", and that player is allowed to putt until they miss.
- Once a team makes all 6 cups, the opposing team gets one rebuttal putt. If the putt is successful, that team removes any single Cup Cap from their cups and the game resumes. Each team is only allowed one rebuttal.
- For Experts Only - whenever a player misses a putt, the opposing team is allowed to remove a Cup Cap from a previously scored hole
