

Basic Rules

Point System

You are awarded 3 points when the cornhole bag goes into the hole. You get 1 point when a bag lands on the surface of the board and if the cornhole bag is hanging into the hole. You also get only one point if the cornhole bag is hanging off of the surface of the board but not touching the ground. If the bag is touching the ground then no points will be given to that player. It also does not count if the bag is hanging on the edge of the board and resting on a bag that is already touching the ground. However, if you can remove the bottom bag without the other one falling off then 1 point is awarded to that player.

The team with the highest round score, adds the difference of the two scores to their game score. The team who wins the round throws the first bag of the next round. If both cornhole teams have the same round score then the game score stays the same and honors stays with the team who had it in the previous round.

Cornhole Fouls

A cornhole players foot goes past the front of the cornhole board. A Player goes out of turn. - The throw the foul occurs on doesn't count. If the bag is on the board remove it.

Game Play

2. Each cornhole team will have 4 bags of one color.
3. All 8 cornhole bags begin at one end.

6. A cornhole player may throw from anywhere behind the front of the cornhole board they are throwing from.
7. Alternate throws between the two opponents until all 8 cornhole bags have been thrown.
8. If a cornhole bag hits the ground then bounces up onto the board, remove that bag for it does not count.
