OverDrive

1. Go to your library's OverDrive site

From your home computer, go to http://dbooks.wplc.info, or access Overdrive from your library's website.

2. Sign in:

Sign In Click "Sign In" to access your account.

Begin typing your library's name. Choose it from the list when it appears. Then, type in your library card number.

3. Find a book to check out:

You can browse the collection by choosing a category from the home page, or by clicking in the "Search" box and entering a title, author, or keyword.

4. Check out your book:

Click on the book cover. Click "Borrow" to check the book out.

5. Download your book:

Once the book is checked out to you, it will appear under "Check Outs" in your account. To download the book, click the "Download" button and select "Kindle Book." Then click "Confirm & Download."

6. Transfer the book to your Kindle:

After clicking "Confirm & Download," you will be redirected to Amazon.com. You will complete the transfer process from here. Most books can be transferred wirelessly.

### Wireless Transfer

Click "Get library book." If you are not already signed into your Amazon account, you will be prompted to sign in now. If you own more than one Kindle, make sure the correct device is selected from the list. Click "Continue" if prompted.

Get library book

The book will be delivered wirelessly to your Kindle the next time your device syncs. **You must have a Wi-Fi signal for your device to sync.** For instructions on syncing your device manually, go to http://amzn.to/1c29pQt.

USB Transfer

USB transfer must be used if:

- You own an older Kindle that is only compatible with Amazon's Whispersync network and cannot connect to Wi-Fi.
- The book you have checked out is designated as "USB Only."

Connect your Kindle to your computer. After you are redirected to Amazon's website, click "Get library book" and sign in if you are not signed in already. Click the button that says "Download Now" to save the book to your computer. When you are prompted, save the file instead of opening it.

If you are given the choice of where to save the file, choose the following location: Computer>Kindle>documents. If you are not given the choice, copy the file from the location where it is saved to this location. For more help on USB transfers, see Amazon's instructions: http://amzn.to/uumkUD.

Transfer the book to another Kindle:

If you need to transfer the book to another device, sign into your account at Amazon.com and go to "Manage Your Content and Devices." Click the button under "Actions" next to the book you want to transfer and choose "Deliver."
